

CORONAVIRUS (COVID-19)

Staying Inside to Stay Safe

Coronavirus can spread in the community and outdoor spaces.

To keep safe, it is important to stay away from community places and outdoor spaces.

For now, I will **not** be going anywhere outside of my home or to places in the community.

This means that I will be spending all my time at home.

These are some activities I can do at home:

Spend time in the backyard

Go on the computer

Make tea or coffee at home

Call a friend on the phone

Use the activity bin
